

# SONS OF EDEN

A story that has intrigued us for years is the fable of the legendary founders of Ancient Rome, Romulus and Remus. These twins were abandoned at birth and reared by a she-wolf. Romulus murdered his twin in a fit of rage over the naming of Rome, the city which both had built. Legend presents Romulus as the stronger, more powerful of the brothers, while Remus was more refined, focussed and elegant. We believe the twins' characterise the distinctive and unique flavours and attributes of Shiraz from the twin valleys – the Barossa Valley and Eden Valley.

## 2021 REMUS Eden Valley Old Vine Shiraz

### REVIEW

An old vine Eden Valley shiraz sourced across several sites from 50- to 80-year-old vines; 15% whole bunches, 18 months French oak (60% new). 2021 was a fine year, and that fact shines through in this wine. Detailed with just the right amount of structural sinew pure sage, amaro and spice-flecked red and dark berry fruits, showing space, vitality and poise across its length. A really impressive release.

**95 Points**, Dave Brookes, Halliday Wine Companion

## 2021 ROMULUS Barossa Valley Old Vine Shiraz

### REVIEW

Old-vine, 50-plus-year-old shiraz sourced from several sites across the Barossa Valley. Bright red and dark plummy fruits cut with exotic spice, violet and jasmine top notes, licorice, dark chocolate and Barossa earth. Detail and line are recurring themes in the SoE wines; nothing overblown or over the top, just pure, spicy fruit, a graceful passage across the palate and a distinct regional thumbprint. It's drinking nicely now but will improve
